Welcome Message

13th & 14th JULY 2024

Dear Esteemed Participants,

It is with great pleasure and honour that we extend a warm welcome to each one of you to the NZIMSCON Conference. This year, we are gathered here on the vibrant dates of 13th and 14th July at the Hotel Radisson Blu, Faridabad. It fills us with immense joy to see such a remarkable gathering of intellectuals, practitioners, and enthusiasts in the field of menopause.

Our theme for this year's conference is "**Connecting the dots: Health to Happiness, Age No Bar.**" In a world increasingly inundated with challenges to health and well-being, it becomes imperative to explore the interconnectedness between health and happiness across all age groups. We believe that the pursuit of happiness is deeply intertwined with the maintenance of good health, and it is our collective responsibility to bridge the gap between the two.

Throughout the next two days, we delve into insightful discussions, share innovative ideas, and engage in collaborative efforts aimed at promoting holistic well-being across all demographics.

Our Esteemed Speakers and Panelists enlighten us with their expertise, shedding light on various aspects of healthcare delivery, mental well-being, preventive medicine, and the importance of fostering happiness in our fields.

As we embark on this journey of knowledge exchange and enlightenment, let us remember that our ultimate goal is to make a positive impact on the lives of those we serve. Let us strive to create a world where good health and happiness are not mere aspirations but tangible realities for everyone, regardless of age or circumstance.

We extend our deepest gratitude to all the delegates, faculties whose unwavering support makes this conference possible. May our deliberations be fruitful, and may we emerge from this gathering with renewed determination to champion the cause of health and happiness in our society.

Once again, welcome to NZIMSCON 24, and let us embark on this enriching journey together.

Warm regards,
